

David Kappos

Well, good evening, everyone -- Dave Kappos here. I'm just going to take a quick minute to echo some of what you've already heard. We're now one year into C4IP, you can watch the so-called "sizzle reel" and see the incredible output from this organization. And it's thanks to the tremendous team -- and I'm looking around the room at them -- that the group has assembled that we've put out so much collateral and been able to have an impact. It's putting IP on the slate of Congress in ways that it hasn't been before. We've got pro-IP legislation pending for a change. And we're gonna keep going with more of that...
