## **MDMA Statement of Support on Reintroduction of the Bipartisan “PREVAIL Act” and “PERA”**

WASHINGTON, DC – The Medical Device Manufacturers Association’s (MDMA) President and CEO Mark Leahey issued the following statement today applauding the bipartisan reintroduction of the “Promoting and Respecting Economically Vital American Innovation Leadership Act (PREVAIL Act)” and the “Patent Eligibility Restoration Act (PERA):”

**“MDMA thanks Senators Thom Tillis (NC) and Chris Coons (DE) for the bipartisan reintroduction of the ‘PREVAIL Act’ and ‘PERA.’ These important bills would strengthen intellectual property rights, which ultimately results in new innovative cures, therapies and diagnostics to help address the needs of patients and providers. The United States cannot maintain and grow our leadership position in medical technology innovation without strong IP protections in place, and the ‘PREVAIL Act’ and ‘PERA’ would support this critical work to bolster our ecosystem.”**
